

Have you considered the United States for opportunities in green building products and technologies? Join the Alberta Pavilion at Greenbuild 2017!

**November 8-10, 2017
Boston, Massachusetts**

The U.S. Green Building Council's **Greenbuild 2017** Conference and Expo is the world's premier event dedicated to the business of green building products, practices and technologies. Greenbuild will attract decision makers and building industry professionals from around the world, including architects, engineers, facilities managers, developers, building owners, planners, designers, contractors, builders, interior designers, government officials and manufacturers. With an estimated 20,000 delegates attending from approximately 100 countries, Alberta's green building products and capabilities will be well positioned to expand global reach and increase industry recognition in this dynamic international marketing environment.

Visit www.greenbuildexpo.com for more information.

The Government of Alberta, in cooperation with the Alberta Chapter – Canada Green Building Council (CaGBC), Global Affairs Canada and the Consulate General of Canada in Boston, will be staging an Alberta Pavilion at the Greenbuild Expo 2017. We invite you to participate as **one of our 10** exhibitors in the Alberta Pavilion. First come, first served.

What you need to know about the Alberta Pavilion

- Exhibitor costs are offset through the Alberta Export Expansion Package (AEEP).
- Subject to eligibility criteria, Alberta companies participating in this program may be eligible to further offset up to 50 per cent of associated travel costs through the AEEP.
